Social Tweens Program

Social Tweens: (7th&8th Grade) This social skills group is designed for children who are in middle school is focused on the more complex skills required of junior high. Through facilitated practice, tweens are coached at the moment that social challenges occur and are giving new strategies and language to attain, maintain and generalize improved social skills through incidental learning. This group supports tweens in building self-confidence, understanding the complexities of middle school socialization and improving perspective taking, conflict resolution, listening and problem-solving skills. Participants will be required to demonstrate basic social functioning prerequisite skills that will be assessed at the initial parent meeting prior to participation. Social skills that are practiced and addressed through in-the-moment facilitation include: independent functional, and cooperative peer/group skills, group skills (active engagement, social reciprocity, following group directions, etc.), social communication skills, socioemotional skills (e.g. identifying, and expressing feelings, moods, and emotions), promoting self-regulation, and developing community social skills.

Day/Time: Mondays 4:30-5:45 PM (7th & 8th Grade)

Tuition: \$220.00 per month (includes 4 social skills groups for child and monthly parent session)

For more information or to set up a parent visit to discuss our programs for you child, please email Donna at dshea.peterpancenter@gmail.com or call 978/413-1965.
