Summer is More Fun At the Peter Pan Center!

Our same year-round Social Saplings program with convenient summer hours and special themes! Children will learn about community service and helpers when we visit our Police and Fire Departments, can indulge their engineering and construction talents in our future engineers week, explore water, bubbles and rainbows during our water week, tap into their adventurous side when we explore "what's in the woods," and learn the basics of business when we sell home-made lemonade during Entrepreneur week! All this while being socially coached by our talented staff and supported by our one-of-a-kind "Owl Program" that supports the development of prosocial behavior and social skills. With our emphasis on small group work our program fills up quickly so contact us TODAY to reserve your spot! Pick from the 5 fun themes or register for as many weeks you would like your child(ren) to participate!

- Begins July 11th, 2017
- Ends August 10th, 2017
- Every Tuesday, Wednesday, Thursday 9:00a.m.-12:30p.m.
- Snacks are provided
- Nature Walks, Playground and Library Trips
- Weekly "Mommy & Me Picnic" for parents, siblings, etc. to join us for lunch at a playground nearby!
